NOTICE TO BIDDERS: EXTENSION OF THE CLOSING DATE THE FOLLOWING TENDERS:

SAHRA/PFU/GRF/09/2024 – Construction and execution of a perimeter fence and related works to the Goede Rust Farm

SAHRA/PFU/PO/09/2024 – Construction and execution of a perimeter fence and related works to the Paarl Offices

This serves to officially correct the error on the notice for formal tenders on CIDB website:

CIDB website requires 2 weeks before advertising tenders on tender portal therefore we got the 25 September 2024 as the briefing meeting date and 02 October 2024 as closing date for these tenders.

This erratum is to replace the closing date as follows: from **26 September 2024 to 02 October 2024 @ 11:00 am**

There will be another site briefing on 25 September 2024.

Contractors who attended the briefing on 13 September need not attend.

All other matters remain same, the Supply Chain Management Unit apologize for any inconvenience caused.

For any further enquiry do not hesitate to contact Ms. Y. Somtsewu : ysomtsewu@sahra.org.za
