RFQ SAHRA 22/2025**

THE SOUTH AFRICAN HERITAGE RESOURCES AGENCY (SAHRA) INVITES SUITABLY QUALIFIED AND EXPERIENCED SERVICE PROVIDERS TO SUBMIT A QUOTATIONS FOR MINOR ELECTRICAL AND PLUMBING WORKS AT MOOIMEISIESFONTEIN PROPERTY, LOCATED IN RIEBEECK EAST, IN EASTERN CAPE.

## 1. PURPOSE

The South African Heritage Resources Agency (SAHRA) invites suitably qualified and experienced service providers to submit a quotation for minor electrical and plumbing works at the Mooimeisiesfontein property, located in Riebeeck East, in Eastern Cape.

## 2. HISTORICAL BACKGROUND

- 2.1 The South African Heritage Resources Agency (SAHRA) is a statutory organization established under the National Heritage Resources Act, No 25 of 1999. The primary objective of SAHRA is to coordinate the identification and management of the national estate which is defined as heritage resources of cultural and other significance.
- 2.2 One of the thirty-six (36) properties owned by SAHRA is 'Mooimeisiesfontein' located in Riebeeck East, in the Eastern Cape. The property consists of a large residential unit and is worthy of preservation in view of various architectural and historical considerations.
- 2.3 This property was occupied by Piet Retief, and he lived there from 1814 to 1836.

### 3. LOCATION AND SITUATION

- 3.1 Riebeeck East is a small village situated approximately 40km northwest of Makhanda, in the Makana Municipality boundaries in the Eastern Cape. It is accessible by means of a portion of tarmac and a gravel road
- 3.2 The property is a large rectangular shaped stand measuring 69 156m<sup>2</sup> and hosts a single main building and an outbuildings and old stables. The property is at a close distance to the R400 which is also the main road of the village.
- 3.3 Access to the property can be gained from the R400 road utilizing small unpaved roads. The access road is a low traffic route. The property is near the remainder of the village, but distant to basic amenities only found in Makhanda such as banks, schools, churches, restaurants etc. (Approximately 40km away)

### 4. BACKGROUND

- 4.1 Mooimeisiesfontein dwelling is located at the edge of Riebeeck East on a small portion of the remainder of the original farm. The property is currently occupied by a tenant and is managed by SAHRA
- 4.2 The property was recently refurbished and is well-secured with a perimeter fence.
- 4.3 The recent severe weather, including strong winds and storms, caused some damage to the building. The resulting repair work includes electrical and plumbing maintenance and some additional upgrades.

### 5. SCOPE OF SERVICES REQUIRED

- 5.1 **The scope of work shall include the following items. Please ensure that all pricing is submitted using the Pricing Schedule.**
  - The property currently has an electricity account which is managed by Eskom. The service provider will convert electricity account to prepaid electrical meter and supply and install Landis+Gyr 1Phase prepaid meter (Citiq).

- The service provider shall be responsible for registering the electrical meter box under SAHRA. Additionally, electricity tokens must be accessible through multiple vendors including supermarkets, banks, online platforms and mobile banking apps.
- Four (4) light fixtures inside the house are not functioning when switched on. The service will repair four (4) BC light fixtures.
- The light fixtures are relatively new. The service provider is required to conduct faulty findings to determine where the break in the electric connection occurs between the switch and the light fixtures. Once the faulty is identified, the service provider shall supply all materials and carry out the repair to restore the electrical connection.
- The 150L and is already mounted on the bathroom wall. The service provider is expected to supply all necessary electrical material to complete the connection and inspect all associated plumbing fittings for any water leaks, carrying out repairs as needed. A geyser isolator switch must also be accommodated for. All joints and fittings must be checked for leaks after installation.
- The property does not have water tape. The service provider will supply and install a 15mm x ¾" plastic Garden Pro Close tap or of equivalent standards, along with all necessary fittings to connect garden hose.
- The property does not currently have a dedicated washing machine tap. The service provider is to supply and install a slimline 22mm brass tap within the main bathroom to ensure an adequate water supply to the washing machine.
- Upon completion of the project, the service provider shall issue a Certificate of Compliance (COC) for both the electrical and plumbing work.

5.2 The work is expected to be completed within 3 days. Any delays caused by the service provider will be subject to a penalty per day.

5.3 The completion report must be submitted at the completion of the project, accompanied by the employment record. Failure to submit these documents may result in delays of payment until the documents are received and reviewed by SAHRA.

5.4 The service providers must make provisions for ablution facilities and any other necessary facilities for their employees for the duration of the contract to comply with OHS requirement.

## 6. TERMS AND CONDITIONS OF PROPOSALS

- 6.1 All costs and expenses incurred by potential service providers relating to their Tender Offer will be borne by each respective service provider. SAHRA is not liable to pay such costs and expenses or to reimburse or compensate service providers in the process under any circumstances, including the rejection of any Tender Offer or the Cancellation of this project.
